

Kidlington Camera Club

Selection of Digital Images and Prints for the BATTLE POOL

This season the Club has several competitions against other local clubs (“Battles”). We have entered the Chilterns association of Camera Clubs Rose Bowl Competition (for Digital Images only) and also have a Print battle.

In order for the committee to select the best possible images to represent the club in these competitions, we will be holding a selection evening on 21st September.

This involves showing all submitted images from club members, then voting for ones that they think are good enough for Battles. From this the committee will use the top scoring images to form a “pool” to choose competition entries from.

SUBMISSION OF IMAGES

DIGITAL IMAGES

We have 4 competitions, each needing 15 pictures. A pool of up to 50 images will be used in order to get a balanced set for each comp.

Can you please let me have up to 15 of your very best digital images for selection.

- ✧ The only restriction is that they have not been used in EXTERNAL competitions previously, so images used for CLUB competitions, digital files of pictures used as PRINTS, or NEW pictures can be used.
- ✧ Any subject is O.K., but the competitions are “OPEN”, so pictures that have done well in “subject” competitions may not be suitable.
- ✧ Previously used images sized at 1024 * 768 pixels can be used for selection evening, but any new ones should be sized to 1400 * 1050 px. please
- ✧ File Names – Format is not important at this stage, but file name **MUST** contain members name or name code. If you want to use a specific title, this should also appear in the file name.
- ✧ CACC has very specific file naming, sizing & colour space requirements. We will therefore adjust only those pictures that we will be using in competition. The committee will ask owners of chosen images to re-submit to required format.
Rules also restrict number of images from each author, hence request to include authors name in file name.
The committee will re-name files as required for the Rose Bowl.

PRINTS

We have only one print competition this year, needing 15 pic’s.

Can you please let me have up to 5 of your very best prints for selection.

In order to prepare for the selection evening, can you please get PDI’s & prints to the Comp Secretary not later than 14th September.
